LOCAL RACING GOSSIP.

Lieber Karl, the crack 3-year-old of the stable of J. W. Schorr, of Memphis, and five others of the same string, arrived yesterday afternoon from Cincinnati. The Derby horse looks a trifle jaded, a glance sufficing to show that he "has been to the races" and a rest in the bracing atmosphere of this section will doubtless benefit him. The five that came with him are Macy, Algol, Wilson, W. Overton and Irene F.

J. M. Murphy has Buck Massie, Carnero and a slashing 2-year-old named Streamer quartered near the half-mile post. Yesterday afternoon Buck Massie walked over from Washington Park, where he has been since his return from California. He is high in flesh and will not be trained until fall. It is doubtful if he will stand training. In any event he will be retired after this year. Carnero looks lusty and fit to be an interesting factor in handicaps and other all-aged events. Streamer, by Topgallant—Kittie Gunn, has never started, but, if appearances are not deceptive, is a colt of much quality. Speaking about California horses Mr. Murphy said: "They beat Buck

out there and they can beat almost any horse that may be taken there from the east. The trouble with eastern horses in California is they don't sweat. Here Buck would come out of a race almost white and often got into a lather at the post. There he would scarcely wet a hair. Still they beat him, when I did not think they could. Fleur de Lis is one of the fastest mares I have ever seen. She could take up her weight and run a mile in 1:40. When I left there she was troubled with gravel in her foot. The Roman is a good, yes a very good horse. His foot spread, but he was all right and nearly ready to race when I left. If the Brooklyn or Suburban would be run at Frisco, Fleur de Lis and The Roman would be one-two. I believe The Roman will start in the Brooklyn. Mr. Boots told me he intended to ship to New York and return to Chicago."

Charley Richcreek believes Imp to be the fastest horse, of any sex, he has ever seen in the west. "I am sure," said he, "that at a mile she could beat Yo Tambien, Firenze or any other mare I have ever seen."

H. D. Brown ("Curley") left last night for Toronto. Next week he will begin starting at Hamilton, Ont., and thereafter will handle the flag at the meetings of the northern circuit.

"There is the hardest horse in the country to train," said B. J. Johnston, as he looked at Paul Griggs, big and strong and apparently ready to race for a princely stake. "He will not work by himself and any way you work him in order to do him any good he must be sent along nearly as fast as he can go. If you work him with another horse the other horse will soon be in need of a rest. The only way you can keep him in racing order is to keep racing him and it is not often the programs furnish the spots for him. At that, I never will believe he ought to have been beaten in California in any race excepting the first time he started."

The Harlem track will be good and possibly fast to-day. Sunday it was full of moisture, tough and promised to be heavy and holding until the middle of the week, at least, but yesterday it dried rapidly and as the result of harrowing during the afternoon was in fair condition at sunset. A mile in 1:42 should be run this afternoon by a fair horse.

Pat Dunne and Galen Brown have their stables at Hawthorne. It is probable they will remain there, and horses from either stable having engagements at Harlem will be walked there to fill them.
THOS. J. GALLAGHER.

"I HAVE STUDIED YOUR BOOK, 'HORSE RACING, OR THE ART OF MAKING MONEY AT THE RACE TRACK' and I don't see that there is any room for criticism, for I think that anyone who has played the races can't help but see that every word is true. I think there is more to be learned in 15 minutes reading it than any ordinary man could learn in as many years by simply following the races," writes an ardent admirer of this handsome and sensible little book, which is issued free to readers of DAILY RACING FORM on application to the publishers, A. F. Withe, & Co., 720 Omaha Building, Chicago, Ill. Everyone interested in the noble sport should read it.
